

NORTHERN ARIZONA GERMAN SHORTHAIRED POINTER CLUB

Spring Field Trial
March 21-22, 2009

After a bit of a stutter, the Club decided to re-schedule our rained out February event on March 21 and 22. With short notice, the number of entries was small, but everyone that came sure seemed to have a relaxed time in spite of blowing dust and tumbleweeds.

The event got underway Friday evening with an impromptu lasagna dinner hosted by Don and Phil, complete with Razzleberry pie and ice cream. Carl Porter and his client Chris, along with a nice group of Club members enjoyed the good food and grog and spent time reminiscing about skipping school during our early years growing up in Southern California. It is surprising how many recalled "Tin Can Beach" and cruising down PCH and Beach Blvd.

Saturday began with our Amateur Gun Dog stake judged by Blair Holzer and Sal Sallante, followed by the Open Limited Gun Dog stake judged by Sal and Lyle Christensen. Saturday afternoon the wind picked up a bit, and when lunch time came, Ken Clemons found himself grilling burgers in the back of Bob Walker's newly renovated rig. Lunch was another delightful meal and we thank Ken and Sue for getting it organized and prepared and also thank my neighbor, Bridget Patterson, for sending us some of her great macaroni/chicken salad. The wind continued throughout the afternoon and evening, and when dinner time came, Phil Casdorff took over in the rig and grilled enough chicken parts to overfeed us all. It was a pot luck, and many fine dishes were shared, along with some fine wine and cocktails and a nice chocolate cake sent out by Pat Lee.

Sunday began with the hope of diminishing winds, but by 10:00 AM it was howling once again. We started with the Open Puppy stake judged by Jim Schultz and Lyle Christensen. Lyle and Jim also judged the Open Gun Dog stake. We finished the running about 11:00 AM and wasted little time packing up and getting down the road. Fortunately, we all got past Paulden before a "brown-out" caused a 15 car chain reaction wreck on Hwy. 89 that delayed travel for more than an hour.

It was a very successful event and there are many to thank. We thank Arlene Walker and Stevi Casdorff who worked together as co-secretaries. Thanks also to Bob Walker for caring for our quail for over a month. Bob Williams, Phil Casdorff and Bob Walker did a terrific job of gunning in the fierce wind and we appreciate their help along with all those who planted birds, took care of water on the course and generally pitched in every-

where. We are grateful to Greg Roskoff, my neighbor and owner of Dewey Pump, for loaning us his water trailer. We were glad to see Carl Porter join us from California and we appreciate his support. Thanks to all the judges for their charitable application of knowledge to our event. And above all, thanks to everyone who attended. We hope you had a good time and we really appreciate your support.
