

Northern Arizona German Shorthaired Pointer Club
Paulden, AZ
February 24 – 25, 2007

The Northern Arizona German Shorthaired Pointer Club held its' first licensed AKC Field Trial on February 24-25, 2007 in Paulden, AZ. Things were a little dicey on Friday night before the trial, with both high winds and snow, but Saturday morning things were cold, but clear.

A lot of people were responsible for the success of this trial. Several club members made a lot of effort to find suitable grounds. Don Lee, Bob Walker, Phil and Stevi Casdorff and Gene Wullkotte spent many hours driving and riding on grounds at numerous locations to find the "right" location.

Bob Walker made signs, water barrels, hauled water, planted birds, judged and anything else that was asked of him. Thank you, Bob! And, Brian Fitch, who filled bird bags, planted birds and just about anything else we asked of him.

Ken and Sue Clemons, thank you both! Ken was our FT Chairman, line marshall and problem solver extraordinaire. Sue and Ken, also, provided judges, workers and attendees with coffee and donuts each morning. In addition, we had wonderful hot lunches both days. With the cold weather that is extremely well received by all.

Phil and Stevi Casdorff handled the preparations for the Saturday night pot-luck. Both Stevi and Phil helped planting birds, took care of the ribbons and those great trophies.

Arlene Walker did an outstanding job as Field Trial Secretary, handling all the nuts and bolts details with seasoned precision. Thank you so much, Arlene, for making the rest of us look good. So much goes on before, during and after an event behind the scenes. Few realize how much, until they try to do it themselves.

We would also like to thank all of the club members who judged at this first event – Don Lee, Alan Maher, Ken Hart, Bob Walker, Phil Casdorff and Jim Moreau. And our other judges – Tom Pescod, Lyle Christiansen, Bill Root, and Russ Settell. We were very fortunate to have such a high caliber group of judges for our first event, and we are very grateful for their generosity to donate their services to help give our new club a financial boost to get going.

There were also several non-club members we would like to thank: Cindy Pescod, Robbie Kelleher and Lori Fawley. These people all planted birds and helped out wherever they could. The club truly appreciated your efforts.

And, a special thank you to the three pro's attending our inaugural trial: Gene Wullkotte from Arizona, Terry Chandler from New Mexico and Carl Porter from California. We hope to see you all at our next trial.

We have no doubt forgotten to mention someone, and for that, we sincerely apologize. Thank you one and all for making this first trial a very special event.
