

Shoot O Rama A Big Success

At the last minute we found out that there were plans to close Perkinsville Road on Saturday May 16, 2009 for most of the day for a triathlon. We decided to meet at Bob and Arlene Walker's and then caravan to the grounds.

Everyone seemed to have a good time shooting. Tony and his son, T.J., and Bob Williams, both new club members, were at the Shoot-O-Rama. TJ's gun was a little too big for him but he made every effort to shoot with the big boys. Stevi Casdorff was our only woman shooter.

We would like to extend a special "thank you" to Jim Prenovost who helped set everything up and keep the various shoots going smoothly. Although we would liked to have seen a larger turnout for the Shoot-O-Rama, we did receive emails from several club members saying they had other obligations, but were looking forward to next year.

On June 13, 2009, there will be a training day at Schotz Lake. Schotz Lake is south of I-40 between Williams and Flagstaff. Elevation is a little higher and should be a great place to beat the heat. We hope you can all come out to join us. There will be another training day on July 11, 2009 at the same location. There will be a brief general membership meeting following both training sessions.

AKC Approves Revisions to Constitution and By-Laws

There was a general membership meeting following the Shoot-O-Rama on Saturday, May 16, 2009. Revisions to the constitution and by-laws were discussed and voted on by the general membership. The only changes were that "Inc" be added to the name of the club, and that the Associate Membership would be \$10.00 instead of \$20.00. Following approval by the membership, the revisions were submitted to the American Kennel Club. We received notification that the revisions had been accepted by the American Kennel Club shortly after they were submitted.

New Members

New members, Bob Williams and Tony Marley were both voted in at the May 16, 2009 membership meeting. We also have another new membership application from Karen Nelsen. Karen is moving to Paulden in July 2009 from Southern California. Karen will be retired from teaching when she relocates and may do some substitute teaching here after she gets settled.

STEADY ON POINT

FALL FIELD TRIAL PLANNED FOR NOVEMBER 2009

Our Fall Field Trial is planned for November 20—22, 2009. The trial should be held at our regular grounds in Paulden. At the present time, we are planning on holding an Open All Age, and an Open Limited Gun Dog stake on Friday and Open Puppy, Open Derby, Amateur Gun Dog and Open Gun Dog over the weekend on Saturday and Sunday. The field trial committee is working very diligently to secure a nice slate of judges for this event.

If you plan on attending the event or if you would be able to come out to help with bird planting, bagging birds, food, etc. please let someone on the committee know. All help will be appreciated.

The drawing for the Garmin Astro 220 and DC 30 collar will be held Saturday night during the din-

ner after the running for the day has been completed. If you have not purchased your raffle tickets there are still some available. Please contact either Don Lee (donlee@commspeed.net) or Phil Casdorff ([Casdorff@commspeed.net](mailto:Casdorph@commspeed.net)) to get your tickets. Cost for the tickets is just \$5.00 each or a book of 5 tickets for \$20.00.
