Section 2: Charges. Any member may prefer charges against a member for alleged misconduct prejudicial to the best interests of the club. Written charges with specifications must be filed in duplicate with the Secretary together with a deposit of \$25.00, which shall be forfeited if such charges are not sustained by the board following a hearing. The Secretary shall promptly send a copy of the charges to each member of the board or present them at a board meeting, and the board shall first consider whether the actions alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of the club. If the board considers that the charges do not allege conduct which would be prejudicial to the best interests of the club, it may refuse to entertain jurisdiction. If the board entertains jurisdiction of the charges, it shall fix a date for a hearing by the board not less than three weeks, but not more than six weeks thereafter. The Secretary shall promptly send one copy of the charges to the accused member by registered mail together with a notice of the hearing and an assurance that the defendant may personally appear in his own defense and bring witnesses if he wishes.

Section 3: Board Hearing. The board shall have complete authority to decide whether counsel may attend the hearing, but both complainant and defendant shall be treated uniformly in that regard. Should the charges be sustained after hearing all the evidence and testimony presented by complainant and defendant, the board may by a majority vote of those present reprimand or suspend the defendant from all privileges of the club for not more than six months from the date of the hearing. And, if it deems that punishment insufficient, it may also recommend to the membership that the penalty be expulsion. In such case, the suspension shall not restrict the defendant's right to appear

before his fellow members at the ensuing club meeting which considers the board's recommendation. Immediately after the board has reached a decision, its finding shall be put in written form and filed with the Secretary. The Secretary, in turn, shall notify each of the parties of the board's decision and penalty, if any.

Section 4: Expulsion. Expulsion of a member from the club may be accomplished only at a meeting of the club following a board hearing and upon the board's recommendation as provided in Section 3 of this Article. Such proceedings may occur at a regular or special meeting of the club to be held within 60 days but not earlier than 30 days after the date of the board's recommendation of expulsion. The defendant shall have the privilege of appearing in his own behalf, though no evidence shall be taken at this meeting. The President shall read the charges and the board's finding and recommendation, and shall invite the defendant, if present, to speak in his own behalf if he wishes. The members shall then vote by secret ballot on the proposed expulsion. A 2/3 vote of those present and voting at the meeting shall be necessary for expulsion. If expulsion is not so voted, the board's suspension shall stand.
