

Northern Arizona German Shorthaired Pointer Club

Training Day

Date: July 11, 2009

Time: 9:30 AM

Our 2nd summer training day will be held once again at Scholz Lake, near Parks. We had a great turn-out and a lot of fun at the first one, and we are looking forward to another great day. We will begin by splitting up into groups and doing some field work, then having some lunch, a short club meeting and then spend some time at the lake for water work. Everyone is welcome, membership not required. You are welcome to camp out. Please RSVP so we know how much food to plan on and how many birds we will need. If you want to order birds for your own use, you must reserve them by July 7.

For more information and to RSVP contact: Don Lee, 928 713-9961

Email: donlee@commspeed.net

Directions: Scholz Lake is located south of I-40 between Williams and Parks.

From the west, take Garland Prairie Road (141), just east of Williams and go southeast about 9.5 miles to NF 62 (on the left)
From the East, go south, then west on Garland Prairie Rd. in Parks, go about 6 miles to NF 62 (on the right) and follow signs to our area.
